HOW DO I CALL IN AN INSPECTION?

All inspections are handled through an **automated system**. When calling in an inspection dial **386-575-6900** or **407-936-9999**. The recording will ask you for a **permit number, confirmation number and inspection code number**. These numbers are all located on your permit card. When all these numbers are entered, the inspection will automatically be scheduled for the following business day.
