Awards will be presented at the April 18 meeting of the Deltona City Commission.

This year, \$36,000 was awarded to students. In its first year, 2008, the scholarship program awarded \$50,000 in awards but then in 2009 and 2010, the program declined to only \$25,000 in award funds. The Deltona City Commission is very pleased that the award amount increased this year. Only through the support of City residents and their recycling efforts is this program successful.

The scholarship is named for former Commissioner and Vice Mayor William S. Harvey who was committed to "doing more for children and families."
