Deltona's City Manager recognized for 25 years of gov't service

Oct. 21, 2011— Deltona City Manager, Faith Miller, was recently recognized by the International City/County Manager's Association for "25 Years of Service to local government."

The award was given to Miller in recognition for "significant contributions and achievements in the advancement of local government administration." Miller has been the City Manager of Deltona, Volusia County's most populous City, since October, 2008 but she has been working in Central Florida in various government rolls since 1986 when she served as the City of Palm Bay's Deputy City Clerk and Records Management Officer. She left Palm Bay in 1992 to become the City of Cape Canaveral's City Clerk and Personnel Director and then in 1995 she became the City of DeBary's City Clerk and Finance Director. She was Deltona's City Clerk when she became the Acting City Manager in January, 2008.

Miller has also served in various capacities for the Florida Association of City Clerks and the International Institute of Municipal Clerks.

The award was presented at the 97th ICMA Annual Conference in Milwaukee, WI, on Sept. 19. The Deltona City Commission congratulated her at a workshop in October at City Hall, Deltona.
