City Commission hosting Budget Round Table

May 27, 2014—The Deltona City Commission will host a Budget Round Table giving residents the opportunity to weigh in on plans for Fiscal Year Budget 2014/2015. The Round Table will begin at 6:30 p.m., June 9, in the City Commission Chambers, 2345 Providence Blvd.

City staff are currently preparing their budgets for approval by the Deltona City Commission later this summer. City residents are invited to a presentation on City revenues and expenditures and provide feedback about what should be cut from the City budget and what should be added. City staff and members of the Deltona City Commission will be present to hear recommendations.

The City's Finance Director will provide information on how much revenue the City generates and from where. Residents will learn how their tax dollars are used in City operations. Residents will be asked to share what areas should be considered for cuts in the case of revenue shortages and what additional services should be considered in lieu of surpluses.

The Budget Round Table will be recorded for future broadcast on DeltonaTV/BrightHouse Cable Channel 199 and online on DeltonaFl.Gov.
