Light Up City Hall **Dec. 8**

Dec. 7, 2015—City staff will light up an all new holiday display at City Hall at 6:30 p.m., **Dec. 8**. Join City staff, the Mayor and City Commission as all the lights at City Hall are turned on for the start of the holiday season.

The new display incorporates over 1,000 strands of blue and white lights and a giant sleigh and reindeer. Most of the overgrown plantings around City Hall were removed or trimmed. A zoysia lawn was installed along with several large diamond-cut Sylvester Date Palms.

“Several departments came together to make this display and these improvements possible,” said Deltona City Manager Jane Shang. The design for both the landscaping and the holiday transformation was done by our Planning & Development Services staff with the assistance of Deltona resident, Jimmy Stone, and Brandon Bryson, DeLand. The landscape work, the coordination of irrigation, electrical upgrades and light installation was coordinated by Parks & Recreation staff. **Parks & Recreation staff and** Deltona Firefighters built the giant reindeer and sleigh and installed much of the holiday lighting. Enforcement services provided additional manpower installing the lights. And Public Works employees assisted with the creation of signage and used lift equipment in some of the installation.

“We hope this display brings an additional sparkle to Deltona families this holiday season and we encourage you to drive by and enjoy what staff has worked so hard on,” said Mayor John Masiarczyk.

Deltona City Hall is located at 2345 Providence Blvd.
