## Wags ‘N’ Whiskers for Deltona’s 4-legged friends

**Feb. 22, 2016**— Deltona Parks & Recreation’s popular annual event designed specifically for our four-legged family members—the Wags ‘N’ Whiskers Pet Festival is just around the corner. This year’s Pet Festival will be from 9 a.m. to noon, March 12, at the Keysville Dog Park, 2461 Keysville Ave.

This year’s pet festival will include low cost pet vaccines, PETCO give-a-ways, City pet licenses, and the opportunity to learn all about the City’s Trap-Neuter-Return program. Halifax Humane Society representatives will be there along with some of their four-legged friends who are in need of loving homes.

Low cost pet vaccinations are cash only and will include— \$6 rabies vaccinations with a certificate, \$15 kennel cough/Bordetella, \$15 feline leukemia and \$9 cat/dog vaccines. Deworming treatment is also available. The price is determined by the weight of the pet. All shots are administered by a licensed veterinarian. City pet licenses are available for \$5.

Deltona pet owners can let their pets play and mingle inside the Keysville Dog Park. The dog park has areas divided for large and small dogs, both equipped with tons of pet amenities. Deltona Parks & Recreation is partnering with PETCO and Help Animals Inc. to bring Wags ‘n’ Whiskers to the public. For more information, please call (386) 878-8900.
