Volunteers needed for storm drain markings

March 16, 2016— The City of Deltona's Stormwater Division is looking for volunteers to help mark storm drains. Marking storm drains creates awareness of where these drains are located in our City and the importance of not letting pollutants run into our stormwater. Volunteers are asked to meet at 10 a.m., March 26, at the retention pond located at the intersection of Deed Circle and Fort Smith Boulevard. Volunteers should be done by noon.

Dan O'Hanlon, the City's Stormwater Management Program Coordinator, will provide a demonstration on stormwater runoff and pollution prevention. For more information or to volunteer, please contact O'Hanlon, dohanlon@deltonafl.gov or call (386) 878-8962.
