Help keep City beautiful join Annual Lake Cleanup

April 12, 2016—The City of Deltona's Public Works Department is sponsoring a Lake Clean-Up and needs residents to assist in the cleanup of Deltona's beautiful surface waters and learn about Deltona's place in National Pollution Elimination. The event will be from 9:30 a.m. to noon, April 23. Those interested in participating are asked to meet at Dupont Lakes Park, 2711 Elkcam Blvd.

Gloves, bags and other tools will be available to aid in the cleanup activities. Volunteers will be cleaning general trash from lake banks, beds and near other water bodies. The plan is to target Lake McGarity via Campbell Park, Lake Dupont via Dupont Lakes Park and the Lake Butler Chain via the Lake Butler Skate Park.

Join us and become part of the solution. Your efforts are appreciated and will be reflected in the beautification of our City for everyone to enjoy. To get involved, call or e-mail Dan O'Hanlon, (386) 878-8962, dohanlon@deltonafl.gov.
